

## "RETYLING"

### "COLT - 2000 - Super 2000" BENCH CAPPERS

In order to guarantee high performance to our bench cappers, Ferrari group have renewed the finishing of our "COLT" & "2000 \ SUPER 2000" lines.

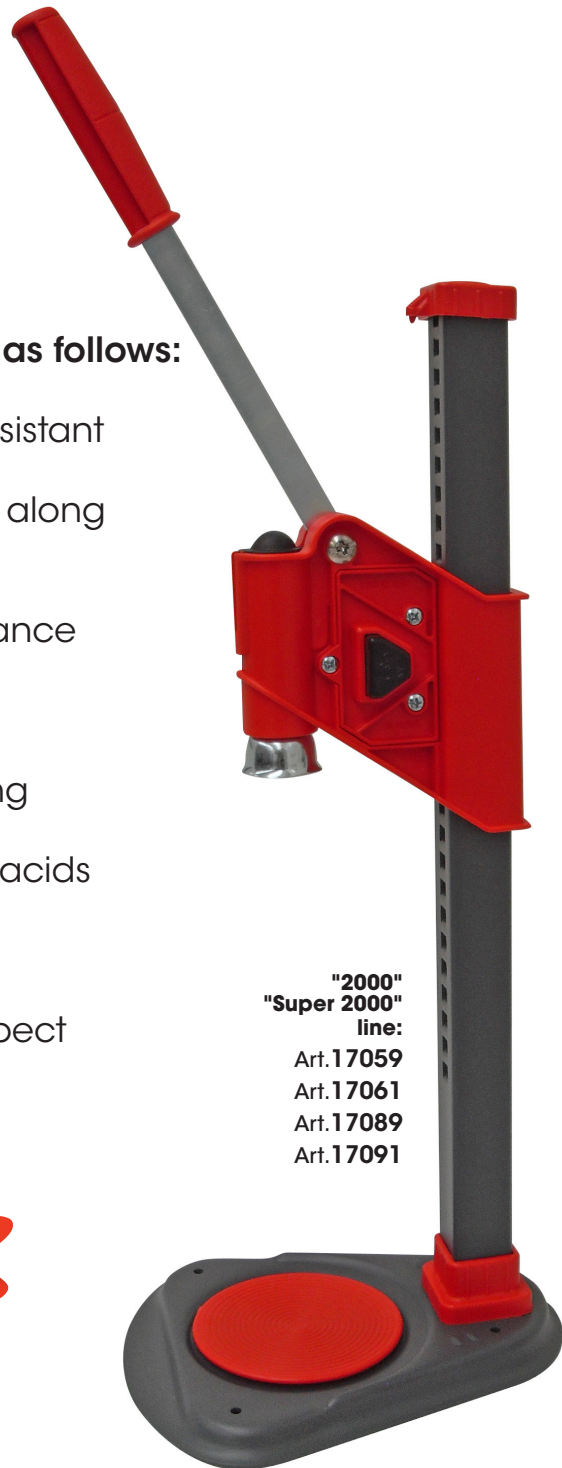

We have carried out an innovative treatment on the column: the finishing is now made of **epoxy-coating** as a replacement of the traditional zinc galvanized coating.

"COLT" line:

Art. 41709

#### Technical improvements are as follows:

- Rust-proof and scratch-resistant
- 
- Better sliding of the head along the column
- 
- High mechanical resistance
- 
- Longer durability
- 
- Anti-corrosion finishing
- 
- Resistant to oil and fatty acids
- 
- Dust-resistance
- 
- Improved aesthetic aspect
